The Art of Meeting Your Expectations...

A Change of Scenery

Nestled in the East Cork countryside, just a 30-minute drive from Cork City, yet worlds away from the stress of city life, Castlemartyr Resort is a unique 5-star destination. Here an 18th century Manor House lies adjacent to the ruins of an 800 year old castle originally built by the Knights Templar. The Manor House has been magnificently restored and elegantly enhanced to offer 108 luxurious guest rooms, a luxury spa, and impeccably styled interiors.

Executive meetings and conferences from 2 to 300 delegates can be accommodated and our level of service, flexibility and attention to detail makes us one of the most sought-after venues in Ireland.

The estate is set on 220 acres of parklands while the golf course, designed by renowned golf architect Ron Kirby, is an impressive 18-hole course in the style of an inland links. The grounds offer a myriad of possibilities for outdoor pursuits including garden games on Mitchell's Lawn, woodland trails and a large range of team building programmes.
